Description

Elements Gold from **Nettletons Jewellers**, Clitheroe, Lancashire

Infused with the essence of the Mediterranean, the new Elements Gold collection embraces rich coloured jewels and luxurious diamond detail, all crafted from the finest materials. Inspired by vintage treasures featuring glistening pave and crisp cut gemstones, our sun-drenched collection evokes a romantic and enchanting mood that invites the wearer to explore a world of beauty and opulence. The Elements Gold jewellery collection features beautiful high quality jewellery pieces that you can treasure and wear for a lifetime. This luxurious collection is crafted in both 9ct yellow gold and 9ct white gold. Each piece of Elements Gold jewellery features sparkling diamonds and stunning gemstones, which include sapphire, amethyst, citrine, garnet, peridot, aquamarine, ruby, emerald and blue topaz. At Nettletons jewellers of Clitheroe Lancashire we have a large collection of Elements Gold rings, Elements Gold pendants, Elements Gold earrings and Elements Gold bracelets, with a designs and price to suit everyone.
