Description

Frederique Constant at Nettletons

We pay particular attention to design at Frédérique Constant. We like our watches to be classical and traditional whilst remaining timeless. Every timepiece is created with a genuine passion for details. Each Frédérique Constant watch is hand-assembled and each watch is checked and controlled over a long period of time by both human beings as well as special equipment to ensure optimal quality. Making no compromises in terms of quality is a strict priority for Frédérique Constant.
